

# WTSBOA Membership Meeting #2

## Harding Academy

### November 19, 2011

The meeting was called to order at 5:28 by President, David Chipman.

A motion was made to dispense with the reading of the minutes from **August 20, 2011**. The motion was seconded and approved.

The Treasurer's Report was given by Darrell Evans with a current balance of \$16,328.23 and \$24,779.54 in reserve. A motion was made and seconded to approve the report.

President David Chipman asked for feedback from the membership regarding the orchestra auditions. A suggestion was made to add 1 viola judge to help keep the viola room from getting behind next year. Another suggestion/reminder was made to the directors to give their students a time to be on campus if they have late audition time so that rooms don't have to wait until the last assigned time. "Thanks" to Colby Canterbury and Harding Academy for hosting the auditions and "thanks" to Francie Beard for chairing the event.

## **ALL STATE REPORT**

Barry Trobaugh asks members to have students fill out intent forms for All West and All State if they are auditioning for more than one ensemble. Alternates also need to fill out an intent form. All State registration and fees will be taken care of at the All West Clinic. Once you have paid and turned in forms and contracts you will be sent an e-file of the music for your participants.

## **REMINDERS:**

- Don't forget that Orchestra Solo and Ensemble will be in February this year.
- Thanks to directors for stressing the consequences for being tardy to auditions.
- Be aware that you have the right to refuse to champion any student who is not a current member of your school ensemble for auditions. Don't let your administrator pressure you if you are not comfortable with it.

Motion to adjourn was made and seconded at 5:41.
