

All-West Convention Badge Sponsorship

WTSBOA is proud to have upgraded our All-West Student Badges to All-West Convention Badges that are large, custom printed front and back badges for all students and participants. We are limiting the number of sponsors to keep the logos larger. Priority will be given to those who have reserved a full-page color ad and vendor booth. Badges will be distributed to over 1,300 students, directors, and clinicians and must be worn during the entire conference. The front will be personalized with the name, school, instrument, and ensemble. The QR code links to the All-West Event Schedule. Many students keep these badges after the event is over. Below is an example of last year's design:

The cost of Convention Badge Sponsorship is \$200 (\$150 if you've reserved a vendor booth and placed an ad).

Please contact Brad Turner at brad.turner@acsk-12.org for further details.

Student Badge Sponsorship must be reserved no later than November 1, 2025
