President's Report: Chelsea Subick, President

- I. If your bookkeepers need a W-9 with the WTSBOA PO Box address on it, or if you need a blank invoice, there will be copies available near the sign in sheets at the end of today's meeting.
- II. Sign In Sheets will be out at the end of the meeting. They are in order by SCHOOL name. There are separate sheets for band, orchestra, and associate members.
 - A. If you are new or at a new school, please check the sign-in sheets FIRST before filling out the New Member sheet. If you have completed your jotform registration, you have most likely been added to the master list already. If your name is NOT on the master list, please find the NEW MEMBER sheet and fill out the information
 - B. If there are any errors on the sign in sheet with spelling or school names, please leave a note in the far right column.

- III. Completed Sign In sheets will be posted on the website with the meeting minutes. If you have questions about your attendance, please use those as a reference. You MUST sign in if you attend a meeting (except All-west rehearsal chairs during the February meeting).
- IV. If your school has more than one director who will be participating in WTSBOA events (example: conducting your ensemble at Concert Assessment, bringing students to solo and ensemble, etc), each director must complete their own membership Jotform and pay dues.
- V. As a reminder, the email address officers@wtsboa.org is for members only - please do not share this email with parents, admin, etc. They will not receive a reply.
- VI. Please check and double check the calendar and website for registration deadlines! You should be receiving emails when Member Announcements are posted - if you are not getting those emails, please email officers@wtsboa.org

New Business

- I. Thomas Richardson explained the TBA Music List and Committee
 - A. If a piece has not been programmed in the last 5 years, it has been moved to the Archived List. Pieces on the Archived List can still be played for 2 years after they have been archived. If a piece is not played for a total of 7 years, it is removed from the list. The piece can still be played, but it must be resubmitted to the committee for approval.
 - B. Score Approval Submission (motion below)
 1. TBA Music Committee is doing grading for the state. There is a rubric (same as the past) that will be submitted online. Scores must be submitted 2 weeks before the first day of the All-State Conference (this year: Dec. 30)
 2. The Music Committee will complete the grading and score approval and tell directors by the end of the conference if the piece will be on the list and what grade it will be. If this is not done by the end of the conference, directors will be notified by the end of January (assuming there is inclement weather and the conference is canceled)
- II. Thomas Richardson gave information regarding the Middle School Honors Ensembles
 - A. Due date is October 23rd, cost is \$5 per student
 - B. Audition requirements (see attachment)
 - C. Submissions are online
 - D. Results will be posted December 9th
 - E. If a student is accepted, there is a \$75 registration fee
 - F. The goal is to have 3 equal representations of the 3 regions. If WTSBOA does not submit enough entries, we won't be equally represented
 - G. Conference for these selected students will be Wednesday and Thursday (meal and t-shirt included in cost) with a concert on Thursday afternoon
- III. Other TMEA Information:
 - A. TMEA has a parent chaperone price (\$40 for a badge, access to the conference center, concerts, exhibit hall)

- B. For the conference in January, TMEA will set up breakfast and lunch stations for students and directors near the rehearsal spaces
- C. TMEA has created a Mentor Form – if you are a new director, please fill it out and someone will reach out to you. You will have access to more people and more resources
